

SAURABH SINGH

+91 83033 54052 | saurabh.creativex@gmail.com | @saurabhyk

PROFESSIONAL SUMMARY

Motivated Full Stack Web Developer with a strong track record of translating technical requirements into deployed applications. Experienced in developing complex full-stack projects—such as subscription-based digital marketplaces and IoT-integrated interfaces—using Next.js and MongoDB. Active hackathon competitor with a practical, problem-solving approach to frontend development, backend architecture, and database configuration.
